HEPPLEWHITE LAUNCHES STUNNING CHARLOTTE RANGE

Hepplewhite Fitted Furniture, specialist supplier to the UK's independent bedroom retailers, has launched its stylishly classic Charlotte range.

Charlotte is a stunning collection of painted, soft white furniture which is ideal for adding a glamorous, feminine touch to a bedroom. This opulent look will work well in traditional properties and new builds alike.

Wardrobes are available in a choice of plain, mirrored or lace pattern and are finished with exclusive Swarovski crystal handles. Beautiful, freestanding and individual pieces compliment the range including bedside tables, chests of drawers and dressing tables.

Graham Jones, trade and marketing director of Hepplewhite comments: "The Charlotte range is a collection of luxurious furniture designed to create a striking, glamorous bedroom. Achieving this look is all about the detail – every element has to be absolutely perfect, from the crystal handles to the painted floral design on the glass tops and doors, and clever use of mirrors in the display cabinets."

The Charlotte range is available in full carcass or front frame systems and has soft close doors as standard.

Hepplewhite has been making fitted bedroom furniture for two generations and specialises in serving the independent retailer. There are currently over 100 Hepplewhite retailers in the UK. For more information please visit 'www.hepplewhitefittedfurniture.co.uk'.
