

Sienna

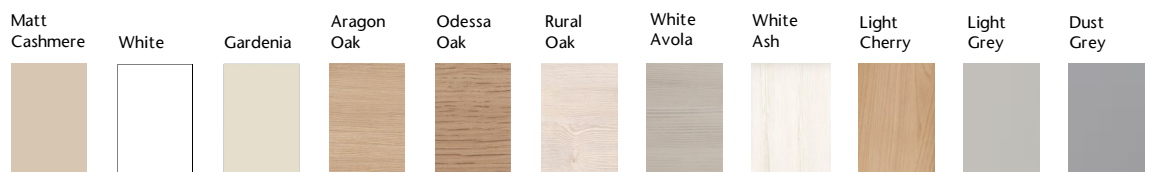

Smooth, subtle and seriously stylish, Sienna fuses two of our most popular ranges, Milan and Solo for chic, contemporary appeal. Cool, understated tones keep the look streamlined and fresh. Sienna is available in eleven sumptuous tones.

Chests of differing heights are combined to create a sleek and stylish home for a television.

Upholstered pads are combined to create a modern wall mounted headboard.

The photographs on this page show the range designed as "Push to open" with no handles. This feature is an upgrade and is design dependent. Please ask your retailer for details.
